The assignee, Honeywell International Inc., owner of 100% interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 et seq. of US 6,140,254. The assignee hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and US 6,140,254 are commonly assigned. This agreement runs with any patent granted on the instant application and is binding upon grantee, its successors and assigns.

In making the above disclaimer, the assignee does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 et seq. of US 6,140,254 in the event that any such granted patent: expires for failure to pay a maintenance fee; is held unenforceable; is found invalid by a court of competent jurisdiction; is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term.

CERTIFICATE OF MAILING (37 CFR 1.8a)

I hereby certify that this paper (along with any paper referred to as being attached or enclosed) is being deposited with the U.S. Postal Service on the date shown below with sufficient postage as First Class Mail with sufficient postage, in an envelope addressed to the Commissioner of Patents and Trademarks, Box Non-Fee Amendment, Washington, DC 20231.
